Recording Format

The image shows a 'Recording Format' dialog box with a title bar containing a question mark and a close button. The dialog is divided into three main sections: 'Format', 'Folder Options', and 'Date Format'. The 'Format' section has a text input field containing '%StationName% - %Date%_%Time%' and three links: '%StationName%=Station Name [Add](#)', '%Date%=Current Date [Add](#)', and '%Time%=Current Time [Add](#)', followed by a link '[Add Default format](#)'. The 'Folder Options' section has a dropdown menu showing 'Station Name' and an empty text input field below it. The 'Date Format' section has a dropdown menu showing 'dd.MMM.yyyy' and a 'Test' button. At the bottom right are 'OK' and 'Cancel' buttons.
